Come Hunting for Ghosts in Queensland's Historic Haunted Sites

Ghost Tours Pty Ltd has formed a partnership with the Queensland Paranormal Investigators to offer Ghost Hunts of sites that have a history of hauntings and paranormal activity.

Ghost Tours Pty Ltd has been undertaking tours of haunted sites since last century imparting ghost stories and haunted heritage to curious locals and tourists. Ghost Tours prides itself on the high level of historic research and oral history that goes into every ghost tour. The Queensland Paranormal Investigators have been researching paranormal activity and haunted houses for over five years. QPI have a core group of members who are specialised in scientific methods of paranormal research and psychic research.

Ghost Hunts give people a hands-on opportunity to experience a paranormal investigation in a safe, informative and, above all, fun environment. We arrange exclusive access to sites in and around Brisbane that have a reputation for being haunted, give you the skills to investigate paranormal activity and ultimately, based on the groups finding on the night, you determine whether the site is or is not haunted!

Some of the investigative techniques Ghost Hunters will be doing include:

- **EMF Readings** – detecting disturbances in the electro magnetic field.
- **EVP (Electronic Voice Phenomenon)** – looking for strange voices or sounds in digital recordings.
- **Spiritualist Techniques (Dowsing Rods, Pendulums & Communication Boards)** – attempting to communicate directly with any 'presences'.
- **Cameras** – We set up video cameras that run all night to detect any anomalies. Clients are also encouraged to bring their own cameras (still & video) to aid in their investigation.

A Ghost Hunter taking EMF readings at Wolston House, Wacol.

Our Ghost Hunts are kept small and intimate. A maximum 20 Ghost Hunters on a night who are then split into three smaller groups allowing more time on your own to 'experience' something paranormal. At the end of the Ghost Hunt a light supper is provided giving the group time to discuss their findings. Ghost Tours Pty Ltd is fully insured and all staff are trained to keep Ghost Hunters safe – both physically and spiritually.

Cost: \$65.00 pp (adult); \$60 pp (concession). Prices include supper & equipment hire.

When: Last Saturday of each month (times are dependent on haunted sites).

Where: Ghosts Hunts are of various buildings and sites around South East Queensland including historic houses, theatres, museums & cemeteries. Visit www.ghost-tours.com.au for a list of upcoming Ghost Hunts.

Duration: 3 hours.
